

Dear ASMAC Members,

I hope this finds you well as the year 2018 comes to an end. I know that we have been faced with many challenges to be creative and resourceful to maintain our competitiveness as manufacturers and suppliers while at the same time having a great time in the adhesive & sealant industry we all love.

Keeping this in mind, the executive has put together a great line up of speakers for our annual general meeting on Thursday, February 21, 2019. We are very happy to announce that besides getting industry updates from key representatives from Environment Canada like Mary Ellen Perkin and the president of the American Adhesive & Sealant Council, Bill Allmond, we will also have a keynote address from Wendel Clark!

Wendel Clark is a Canadian institution best know for his time as Captain of the Toronto Maple Leafs. He will share his success story that has continued beyond his hockey career. On top of this, the first 25 people to register will receive a copy of Wendel Clark's latest book, Bleeding Blue: Giving My All for the Game.

Now, here's some really good news. Like last year, the ASMAC executive has decided to make the attendee fee this year to be only \$50 for members! We want strong support of the membership through attendance of this event. There will be something for you whether you are in development, regulatory, sales & marketing, production or management of adhesives so spread the word in your companies.

After the presentations, all attendees will enjoy a delicious buffet lunch at the always great, Old Mill Inn!

I look forward to seeing you there!

Sincerely,

A handwritten signature in black ink that reads "Sean Gogarty". The signature is written in a cursive, flowing style.

Sean Gogarty

President, ASMAC
