

April 26, 2023

Hello ASMAC member!

Please join us on Thursday, June 15th and participate in the 2023 ASMAC golf tournament. Here's a chance to network with your industry colleagues in a relaxed and informal atmosphere once again at the Glen Abbey Golf Club in Oakville.

We are planning on an 8:30 AM shotgun start. Join us for a continental breakfast beforehand then a nice after-game dinner.

During the dinner we will share a few updates on the association / industry activities as well as award our prizes.

It is that time again for general elections for the board executive. All positions (except the manager, Mauricio Martinez) are open for nominations. Keep this in mind if you want to get involved and bring fresh ideas to our team by nominating somebody from your organization!

We had our best ever turn out last year and hope to repeat the same in 2023! The fees are pretty much the same as the last time we played. We also appreciated the member sponsorships provided and so if your company wishes to contribute to the prizes to this event – thank you and please contact Mauricio.

Entry forms are available for members and non-members. Please submit your entries to Mauricio before June 5, 2023.

It should be a lot of fun! Looking forward to seeing you there.

Sean Gogarty  
President, ASMAC
